

## ***Got ARPA Questions? We have answers!***

The ARPA Discretionary Grant has multiple parts, options, and qualifications. We know that it can be a lot to figure out!

Join us for ARPA Office Hours where you can get your questions answered live. These will be open-ended and focused on answering your questions, not presenting new information. It is only necessary to join if you have a specific question that you would like answered.

**Please see the scheduled ARPA Office Hours below:**
